

I believe that "it is important to rather be a man of value than one of success".

”

No matter what happens, I keep going.

Standing still means, actually,  going backwards. And that is not an option.

TOMORROW

IS MADE OF TODAY

AND YESTERDAY

## ABOUT THE FUTURE

### WHO I BECOME

- expert in everything related to labor legislation in Romania and in the region

### WHAT I DO

- I dedicate myself to continuous professional development
- I don't take "no" when I see solutions
- I do to others what I would like to receive from them
- contribute to projects that fight injustice or abuse of any kind

### WHY

- because I consider work as a form of giving ourselves to the world through the best version of who we are. So it should be empathetic, just and with the intention to make an impact.

### HOW

- with ambition, focus on justice and truth, leaning towards people and their passions, with optimism and the joy of being able to contribute.

## I CONTRIBUTE TO CHANGE

I am the Recruitment and Hiring Director within the team of HR Quality Services since 2016. I consider the field I work in as having enough space for a better representation of people's best interest and desires - and I dedicate myself to this cause every day.

## I LEARNT. AND I APPLY

Communication  
Coaching  
Labor legislation  
Project management  
Multitasking  
Lobby and judicial counseling

## I INDULGE MY BELIEFS

- Family is the center of the universe
- Life is short, so we must find the best place for us to work in
- Work should be considered as another way to play. If it becomes a duty, it kills you.
- Find a job you like and you will add 5 more days to every week.
